## 1. ASSEMBLING THE LIGHT

Wear the included cotton gloves when unpacking and assembling the light. Install the LED light source in the body. Then screw the glass shades onto the body.

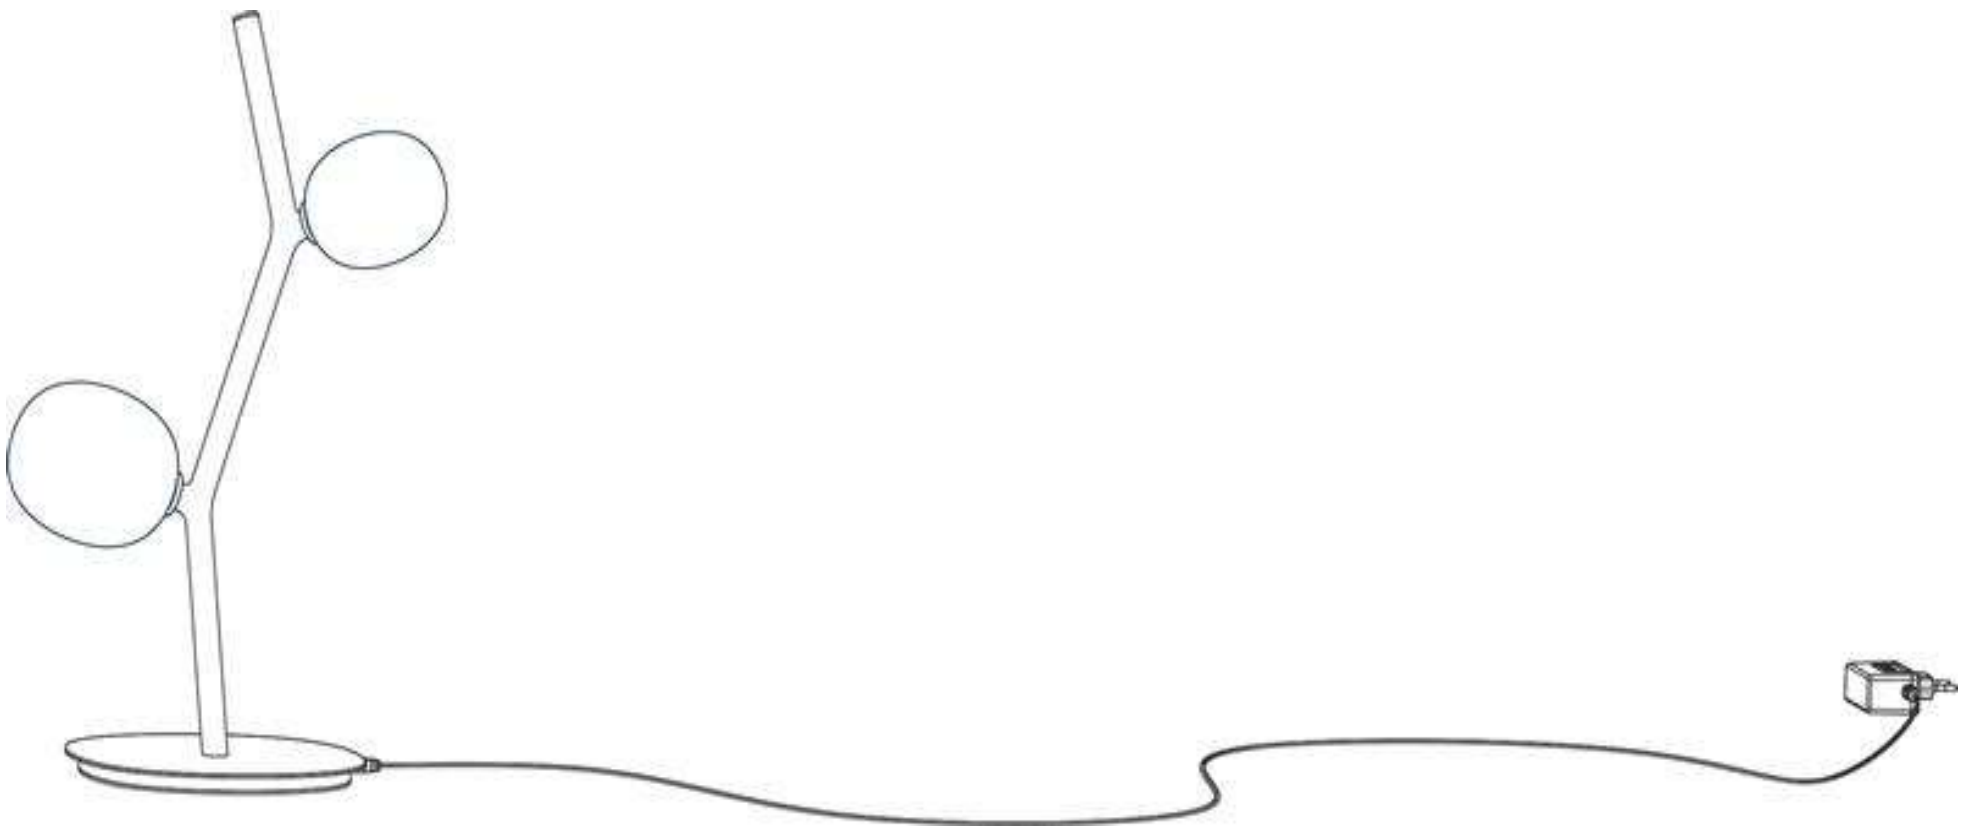

## 2. **CONNECTING THE LIGHT**

Insert the connector on the power cable into the connector on the light.  
Plug the power cable into an electrical outlet and test the light.

### 3. DIASSEMBLING THE LIGHT

To uninstall the light, follow the above installation steps in reverse order.

## IVY PC1131

Floor light, Table light

**Prior to shipping, the functionality of each light and its components is thoroughly tested. The manufacturer assumes no liability for the mishandling of products.**

**If the outer flexible cable or cord of this light is damaged, in order to prevent a hazard, it must be replaced by the manufacturer, a certified service technician, or a qualified electrician only.**

### CLEANING THE GLASS

**The light can be cleaned using common cleaning agents. Do not use solvents or abrasives (e.g. scouring powder).**
